About Me

I am a first-year student at KIET Group of Institutions, pursuing my B.Tech in Computer Science and Engineering (AIML) I have a strong interest in learning new technologies and improving myself every day. I enjoy watching and playing cricket in my free time. Spending quality time with my family is very important to me. I also love hanging out and having fun with my best friends. Exploring new experiences and hobbies keeps me motivated and curious.

My Projects

Here are some beginner-friendly projects I created while learning web development.

Basic Calculator

A simple calculator built using HTML, CSS, and JavaScript that performs basic arithmetic operations like addition, subtraction, multiplication, and division.

[View Project](#)

Simple Website

A clean and responsive 3-page website designed to practice layout, navigation, typography, and color combinations.

[View Project](#)

Mini Portfolio

A mini personal portfolio website showcasing basic details, skills, and simple UI design sections.
